

A large, stylized illustration of a flower in the top right corner, featuring several long, thin petals and small stamens. In the bottom left corner, there is a detailed drawing of a flower with many long, thin, yellowish petals and a central cluster of stamens. A thin black line forms a circle that starts from the bottom left, goes up through the center, and ends at the top right, enclosing the text.

Welcome

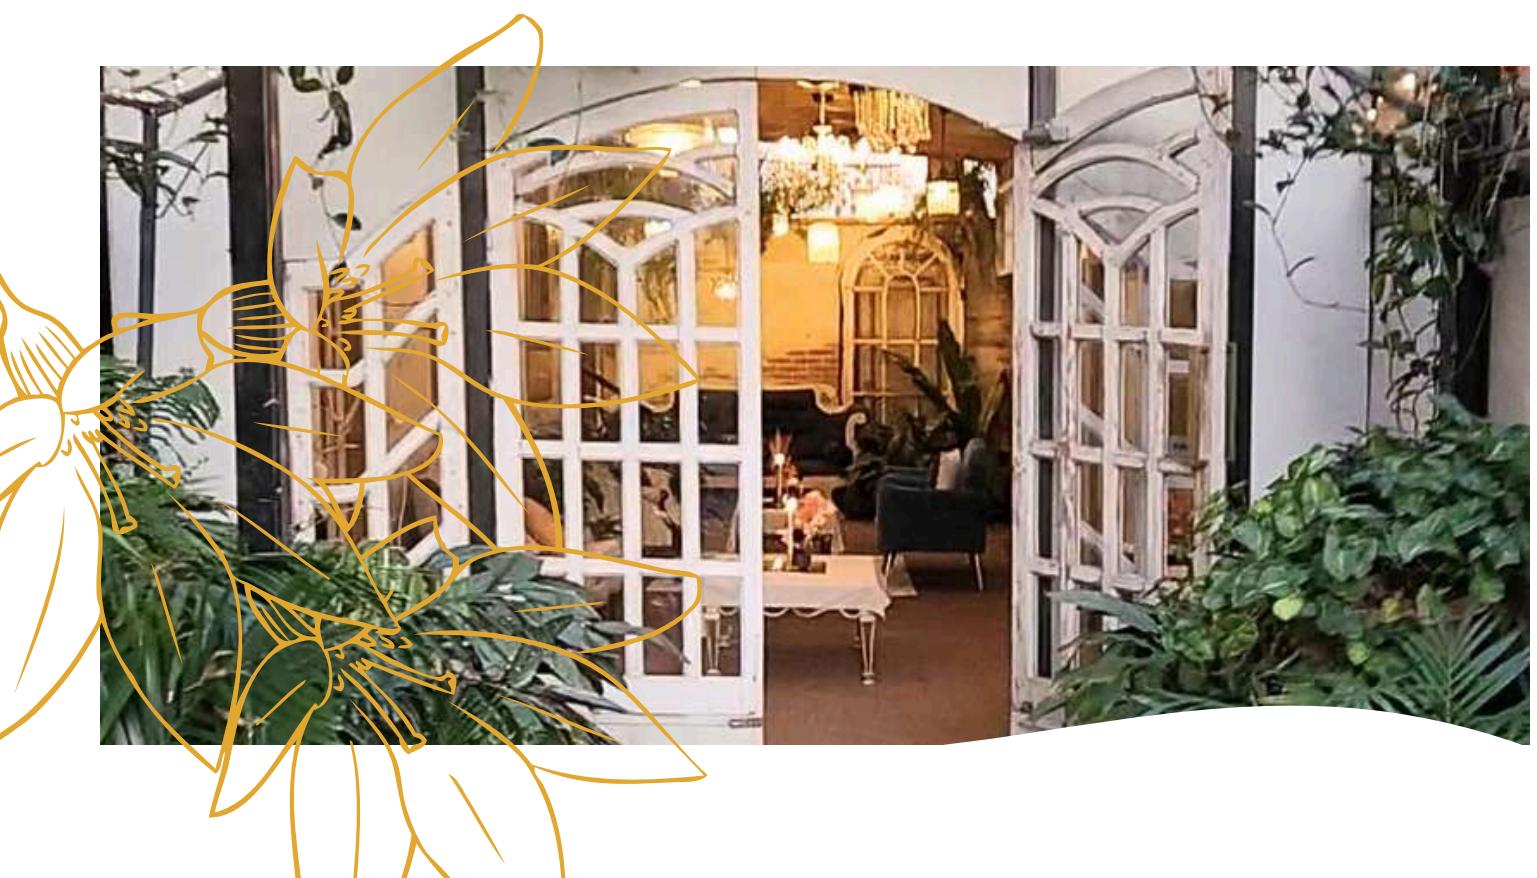

Nestled within a hidden laneway, Hideaway Lane offers a private and enchanting setting for intimate wedding celebrations.

Housed in a historic mid-century building, the space blends timeless elegance with quiet charm, creating a refined escape from the rhythm of the city.

With Art Deco details, a light-filled garden room, and an exclusive lounge area, Hideaway Lane is designed for meaningful, beautifully styled moments.

Every wedding is thoughtfully curated to reflect your story, allowing personal touches to shine within an atmosphere of warmth and understated luxury.

This inner-city sanctuary is the perfect backdrop for micro-weddings, elopements, and intimate receptions — where elegance meets ease, and every moment feels effortlessly special.
